Facilities, and Administrative
Support Services*

Principal's Message

Classroom teachers at Miguelito Elementary School integrate the basic subjects to create a meaningful student-centered curriculum which meets or exceeds State standards. The Miguelito School Plan places special emphasis in the area of reading, math, and technology. Students at Miguelito Elementary School gain a level of comfort and expertise with practical applications in the area of technology.

Our students are provided a clear understanding of behavioral expectations to optimize their positive interaction with classmates, teachers, and the community for the development of an education in the context of desired social relationships for life. At Miguelito Elementary School, we take pride in providing students with an educational program "Where Learning Never Stops." We believe the role of the school is to create a foundation for successful citizens of the twenty-first century and to provide an environment for this to happen.

School Mission Statement

Students come to Miguelito Elementary School ready to learn and our teachers come ready to help them to achieve academic goals and State standards. This mission is accomplished in a safe, positive learning environment that is constantly monitored by the site staff and our parents.

Community & School Profile

Lompoc is located 150 miles northwest of Los Angeles in Santa Barbara County, with a population of approximately 48,000. The Lompoc Unified School District strives to provide a quality education for all its students with a wide range of programs and a talented staff dedicated to the needs of our students. The District serves nearly 10,000 students in grades K-12 living in the City of Lompoc, Vandenberg Village, Mesa Oaks, Mission Hills, Vandenberg Air Force Base, and rural areas adjacent to these communities.

Miguelito Elementary School prides itself in being the technology innovator for all the elementary schools in the District. We are a Renaissance School; our students utilize the Accelerated Reader, Math, and Grammar programs to enhance their learning skills. Teachers use the programs to assess each student's needs, and to individualize instruction to move students forward. We use the District-adopted curriculum as a core for these learning programs, and create a strong foundation for learning. The school operates on a year-round calendar. During the 2007-08 school year, the school served 532 students in grades K-5. In the 2008-09 school year, all the elementary schools in the district expanded to enroll sixth graders. Miguelito Elementary School is committed to providing a strong instructional program for all students to ensure excellence in education.

Student Enrollment by Ethnic Group	
2007-08	
	Percentage
African American	4.5%
American Indian	1.5%
Asian	1.7%
Caucasian	28.8%
Filipino	1.3%
Hispanic or Latino	51.5%
Pacific Islander	1.1%
Multiple or No Response	9.6%

Discipline & Climate for Learning

Lompoc Unified School District annually provides a Student Conduct Code for each of its sites, which is supplemented by a set of behavioral standards developed by Miguelito Elementary School. The program's design establishes guidelines to provide students with a meaningful, productive, and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives; assertive discipline and conflict resolution are tools that help students to further develop personal growth.

Students at Miguelito Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school utilizes the BEST Program (Building Effective Schools Together) that encourages students to come to school ready to learn and become problem solvers. The program emphasizes positive incentives for good behavior. The school's discipline philosophy promotes a safe school, a warm, friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school. The goal of Miguelito Elementary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies at the beginning of each school year through the student handbook, safety assemblies, and parent conferences. All students participate in a one-day workshop twice a year with hands-on training on behavioral expectations in all areas of the school and its programs.

The Suspensions and Expulsions table displays the total number and percentage of incidents at the school and in the District. Suspension numbers may be inflated because some students may have been suspended multiple times. Expulsions occur only when required by law or when all other alternatives have been exhausted.

	Suspensions & Expulsions					
	School			District		
	05-06	06-07	07-08	05-06	06-07	07-08
Suspensions	46	24	42	1737	1482	1820
Suspension Rate	7.9%	4.2%	7.9%	15.7%	13.7%	17.2%
Expulsions	1	0	0	23	24	21
Expulsion Rate	0.2%	0.0%	0.0%	0.2%	0.2%	0.2%

School Attendance

Regular attendance, punctuality, and promptness at Miguelito Elementary School are necessary parts of the learning process and are critical to academic success. School districts receive financial support from the State for the education of the students they serve based on how many students attend each day. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities including notification of when and why students are absent.

Regular daily attendance is a priority at Miguelito Elementary School. Parents are notified of absences through phone calls, letters, and conferences with the Principal. Good attendance is encouraged through motivational incentives, including Perfect Attendance Awards. Those students who continue to exhibit excessive absences are directed to the appropriate authorities including the District's School Attendance Review Board (SARB).

Lompoc Unified School District's School Attendance Review Board (SARB) is composed of parents, community members, the District SARB Secretary, and representatives from law enforcement and probation. Students are referred to SARB when they have persistent attendance and behavioral problems in school and when the normal avenues of intervention are not effective. The members of the SARB, the referred students, and their parents or guardians meet regularly to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavioral problems.

Class Size

The Class Size Distribution table shows the average class size by grade or subject area. The corresponding numbers show how many classes were taught with a certain number of students in each class, based on three different class sizes.

	Class Size Distribution											
	Classrooms Containing:											
	Average Class Size			1-20 Students			21-32 Students			33+ Students		
	06	07	08	06	07	08	06	07	08	06	07	08
K	19	20	19	4	4	4	-	-	-	-	-	-
1	17	19	19	5	5	4	-	-	-	-	-	-
2	19	19	19	5	4	6	-	-	-	-	-	-
3	20	20	18	5	5	4	-	-	-	-	-	-
4	27	31	30	-	-	-	3	3	3	-	-	-
5	28	27	27	-	-	-	2	3	4	-	-	-
K-3	15	17	-	1	1	-	-	-	-	-	-	-
4-8	26	30	-	1	-	-	2	1	-	-	-	-

School Leadership

Principal Paula Davis has led the school for four years, backed by more than 17 years of experience in education. Leadership at Miguelito Elementary School is a responsibility shared among District administration, the Principal, instructional staff, students, and parents. All members of the school community are committed to a shared school-wide vision, which creates a strong foundation toward academic success for all students.

Staff members and parents participate on various committees to ensure instructional programs are consistent with students' needs and comply with District goals. These committees include the School Site Council, Parent Teacher Association, Leadership Team, Student Study Teams, English Learner Advisory Committee, Renaissance Committee, Safety Committee, Career Day Committee, Yearbook Committee, Social Committee, BEST Committee, Garden Committee, K-6 Intervention Committee, and Technology Committee.

Community Involvement

Parents and the community are very supportive of the educational program at Miguelito Elementary School. The PTA holds many annual fundraisers to raise money for field trips and special projects. The Parent Coordinator conducts a parent survey at the beginning of every year to assist teachers in identifying areas that need more focus in the curriculum. Parents are always welcome to attend school events, including the Turkey Trot, Accelerated Reader Testing Night, Parent Music and Art Evenings, and Read Across America Celebrations.

The school recently acquired new swings for the playground, thanks to the efforts of the PTA and generous contributions from parents.

Many programs and activities are enriched by the generous contributions made by: PTA, Burger King, Papa Murphy's Pizza, Vons, Wal-Mart, Albertsons, Hunters Landing, Taco Bell, and Domino's Pizza.

Contact Information

Parents who wish to participate in Miguelito Elementary School leadership teams, school committees, school activities, or become volunteers may contact the school office at (805) 742-2440.

Instructional Materials

Lompoc Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. Lompoc Unified School District held a Public Hearing on October 14, 2008, and determined that each school within the District has sufficient and good quality textbooks, including visual and performing arts texts, instructional materials, or science lab equipment, pursuant to the settlement of *Williams vs. the State of California*.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the State's most recent list of standards-based materials. Lompoc Unified School District follows the State Board of Education's seven-year adoption cycle for core content materials.

The textbook adoption process begins with the formation of an Adoption Committee consisting of administrators, teachers, and the District Textbook Coordinator. The committee identifies key elements to consider in the adoption decision-making process and establishes selection criteria based on State and District standards. The committee reviews instructional materials on the State list and invites publishers to provide an overview of their respective materials. The committee examines each program and selects programs to be piloted. Recommended programs are available for two weeks prior to adoption at the Lompoc Public Library for teachers and parents to review. The feedback provided by teachers and parents becomes the basis for the recommendations to the Board of Education for final adoption.

Computer Resources

Each classroom at Miguelito Elementary School contains between three and five computers. The school's computer lab has 36 workstations for student use. Most of the computers at the school are Internet connected.

Computer skills and concepts are integrated throughout the standard curriculum to prepare students for technological growth and opportunities. Students receive computer-assisted instruction on a regular schedule. Software includes programs to develop critical thinking skills, technological skills, mathematical proficiency, and reading comprehension.

Availability of Additional Internet Access at Public Locations

The Lompoc Public Library and the Vandenberg Village Branch of the Lompoc Public Library provide free internet access to all community members including the students of the Lompoc Unified School District. There are a small number of local businesses that provide a Wi-Fi network to patrons wishing to connect to the Internet using their personal equipment.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	GiZUWJYbh	% Lacking

Classrooms connected to Internet	30	26	26

Student Achievement & Testing

Various measures of student achievement are used as an ongoing part of the quality instructional program at Miguelito Elementary School. Measures include STAR testing, District curriculum assessments, and report card grades. These assessments measure students' actual progress as well as the effectiveness of the instructional program.

Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the State academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following AYP requirements:

- Participation rate on the State's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the State's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate.

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their District) that have met their AYP, and the former school would be required to provide transportation to the new site. Results of school and District performance are displayed in the chart below.

More information about Title I and NCLB requirements can be found on the California Department of Education's website <http://www.cde.ca.gov/ta/ac/ay/> and the U.S. Department of Education's website <http://www.nclb.gov>.

Adequate Yearly Progress (AYP)				
	School		District	
Made AYP Overall	No		No	
Met AYP Criteria	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Proficiency	No	Yes	No	No
API School Results	Yes		Yes	
Graduation Rate	N/A		Yes	

Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

Federal Intervention Programs		
	School	District
Program Improvement (PI) Status	In PI	In PI
First Year in PI	2006-2007	2008-2009
Year in PI (2008-09)	Year 3	Year 1
# of Schools Currently in PI	-	9
Percentage of Schools in PI	-	60.00%

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000 with a statewide target of 800. Detailed information about the API can be found at the CDE website at <http://www.cde.ca.gov/ta/ac/ap/>.

The adjacent table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API School Results				
	05-06	06-07	07-08	2008 API Growth Score
Statewide Rank	6	5	5	
Similar Schools Rank	7	4	4	
All Students				
Actual Growth	-19	9	-4	757
Socioeconomically Disadvantaged

Actual Growth	-52	19	0	709
Caucasian				
Actual Growth	9	-10	17	828
English Learners				
Actual Growth	-40	6	32	679

California Standards Tests (CSTs)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the California Department of Education's website at <http://star.cde.ca.gov/>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California Standards Test									
Subject	School			District			State		
	2006	2007	2008	2006	2007	2008	2006	2007	2008
English/Language Arts	42	43	42	42	43	43	42	43	46
Mathematics	46	51	47	34	34	40	40	40	43
Science	26	36	51	37	38	44	35	38	46
History/Social Science				37	38	36	33	33	36

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

California Standards Test (CST) Subgroups				
	English/ Language Arts	Mathematics	Science	History/ Social Science
Male	37	45	45	
Female	47	49	58	
African American	48	48	*	
American Indian or Alaska Native	*	*	*	
Asian	*	*	*	
Caucasian	61	60	72	
Filipino	*	*	*	
Hispanic	28	36	33	
Pacific Islander	*	*	*	
Economically Disadvantaged	32	37	33	
English Learners	12	23	0	
Students with Disabilities	*	*	*	
Students Receiving Migrant Education Services	*	*	*	

**When fewer than 10 students are tested in a grade level or subgroup, scores are not disclosed.*

Physical Fitness

In the spring of each year, Miguelito Elementary School is required by the State to administer a physical fitness test to all students in fifth grade. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. This table displays by grade level the percent of students meeting fitness standards (scoring in the "healthy fitness zone" on all six fitness standards) for the most recent testing period. Detailed information regarding this test may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>.

Percentage of Students in Healthy Fitness Zone 2007-08 Test Results	
5th Grade	
School	
School Overall	17.9%
School (Boys)	13.5%
School (Girls)	23.3%
District	
District Overall	26.1%
District (Boys)	21.5%
District (Girls)	31.4%
State	
State Overall	28.5%
State (Boys)	25.5%
State (Girls)	31.6%
*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.	

Teacher Assignment

Lompoc Unified School District recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, Miguelito Elementary School had 28 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			
	School			District
	05-06	06-07	07-08	07-08
Fully Credentialed	29	29	28	500
Without Full Credentials	2	1	0	21

Teacher misassignments represent the number of teachers who did not hold a legally recognized certificate or credential, including teachers who were assigned to classrooms with English Learners (EL) and who were not properly certificated to teach EL students. Teacher vacancies reflect the number of open teaching positions that were not filled by a full-time certificated teacher for an entire year.

	Misassignments/Vacancies		
	06-07	07-08	08-09
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Highly Qualified Teachers

The Federal No Child Left Behind (NCLB) Act requires that all teachers in core subject areas meet specific Federal credential requirements to be considered "highly qualified." Minimum qualifications include: possession of a Bachelor's Degree; possession of an appropriate California teaching credential; and demonstrated competence in core academic subjects.

	NCLB Compliant Teachers	
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%
District	95.9%	4.1%
High-Poverty Schools in District	100.0%	0.0%
Low-Poverty Schools in District	95.0%	5.0%

Staff Development

All training and curriculum development at Miguelito Elementary School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed State proficiency levels.

Professional development within the District addresses the individual needs of teachers as well as broader school concerns. Three mandatory staff development days are available annually. The District analyzes test scores and conducts a teacher survey to determine areas in the curriculum that need to be modified.

Counseling & Other Support Services

It is the goal of Miguelito Elementary School to assist students in their social and personal development as well as in academics. The school provides special attention to students who experience achievement or behavioral difficulty.

	Number of Staff	Full Time Equivalent
Adaptive PE Specialist	1	As Needed
Counselor	1	0.3
Health Clerk	1	0.5
Noon Duty Aides	6	0.1875
Nurse	1	0.3
Psychologist	1	0.2
Speech/Language Specialist	1	0.5

The Gifted and Talented Education (GATE) program is offered to students in grades 4-6 who have been recognized as high achievers by their teachers and identified through State testing programs. Students in the GATE program are clustered and receive differentiated instruction by a GATE-trained teacher.

Miguelito Elementary School offers support to students whose test results indicate they need additional assistance to achieve grade level proficiency. After-school tutoring is available several days a week for reading and math assistance and English Language Development. The school works diligently to maintain open communication with parents regarding their child's progress throughout the school year.

Students identified as English Learners through the California English Language Development Test (CELDT) are assigned to appropriately credentialed teachers and receive instruction in English Language Development in their regular classroom. Bilingual Instructional Aides are available for additional support. Student academic intervention takes place during the school day.

Students with special needs are accommodated with a variety of options. A team consisting of the parent, school administrator, general education teacher, psychologist, and special education teacher, develops an Individual Education Plan (IEP). The IEP defines the individualized instruction and assistance a student will receive which may include assistance by a Resource Specialist in their regular classroom or in a pull-out program.

Lompoc Unified School District participates in the Santa Barbara County Special Education Local Plan Area (SELPA). The SELPA helps ensure all students with identified disabilities receive a quality public education, according to the Individuals with Disabilities Education Act. Professionals and experts in the field of special education are readily available to serve the District and its students who require an alternative educational solution based upon their physical and emotional needs. The District's Special Education Director meets monthly with the SELPA team to discuss student progress.

School Facilities

Miguelito Elementary School was built in 1969. School facilities span nearly 39,000 square feet, and include classrooms, administrative offices, and storage rooms. The school recently completed a massive modernization project that updated the restrooms and increased handicapped accessibility throughout the campus. The facility strongly supports teaching and learning through its ample classroom and playground space. Facility information was current as of January 23, 2009.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

Cleaning Process and Schedule

The District has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office or at the District office. Currently all schools are on a daily cleaning schedule. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The District participates in the State School Deferred Maintenance Program, which provides State matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2008-09 school year, the District budgeted \$395,786 for the deferred maintenance program. This represents 0.5% of the District's general fund budget.

Deferred Maintenance Projects

There are no deferred maintenance projects scheduled for this school for the 2008-09 school year. The District's complete deferred maintenance plan is available at the District office.

Safe School Plan

Safety of students and staff is a primary concern of Miguelito Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis. All visitors must check in at the school office and wear visitors' badges while on school grounds.

School Facility Conditions				
Date of Last Inspection: 11/13/2008				
Overall Summary of School Facility Conditions: Good				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor

Playground/School Grounds	X			
Overall Cleanliness	X			

During lunch, recesses, and before and after school, teachers, administrators, and noon aides supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

In 1998, the Comprehensive Safety Plan was developed by the District in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and dress code guidelines. The plan was last updated, reviewed, and approved with school staff and community members in September 2008. A copy of the plan is available to the public at the school and District offices.

District Expenditures

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2006-07 school year. The Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the District and throughout the State.

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$5,544
From Restricted Sources	\$597
From Unrestricted Sources	\$4,996
District	
From Unrestricted Sources	\$4,947
Percentage of Variation between School & District	0.99%
State	
From Unrestricted Sources	\$5,300
Percentage of Variation between School & State	5.74%

District Revenue Sources

In addition to general fund State funding, Lompoc Unified School District receives State and Federal categorical funding for special programs. For the 2006-07 school year, the District received approximately \$2,439 per student in Federal and State aid for the following categorical, special education, and support programs:

- Class Size Reduction
- Economic Impact Aid/LEP
- Microsoft Grant
- Gifted and Talented Pupils
- Home-to-School Transportation
- Instructional Materials
- Maintenance and Operations
- Peer Assistance and Review Program
- Safe and Drug Free Schools Program
- School and Library Improvement Program
- Special Education
- Staff Development
- Tenth Grade Counseling
- Title I Program
- Vocational and Applied Technology Education Act
- Carl Perkins Grant

Teacher & Administrative Salaries as a Percentage of Total Budget

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE website.

Average Salary Information Teachers - Principal - Superintendent 2006-07		
	District	State

School & State	
School	\$63,458
Percentage of Variation	2.94%

Data Sources

Data within the SARC was provided by Lompoc Unified School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community members may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.
