Notes:

For Chapters 9,10,11 we suggest doing activities for these concepts throughout the year, such as Writing Math Booklet, Daily Math, Bellwork,

Chapters 2, 5, 6 together for connection of concepts, as do Chapters 4 and 8.

Money is tough to leave to the end. Suggestion that you build background knowledge to lead up to money all year.

You could skip the conversions in the last chapters about the metric system, pounds, kilo, etc.

District Math Test is being changed and will cover Chapters 1-7.

2004 Second Grade Science aligned with writing prompt, and Social Studies ordered to align with HM LA.
