Lompoc Unified Summer Food Service Program

Lompoc Unified School District is pleased to announce that our Food Services Department will be offering the Summer Food Service Program during the summer.

The purpose of this program is to make sure that low-income children continue to receive nutritious meals when school is not in session.

All children who are 18 years or younger can receive a free lunch (Monday—Friday) during the summer.

The lunch consists of an entrée, vegetable, fruit and a milk—all free of charge!

The program will run during the summer at the following 3 locations:

Clarence Ruth Elementary School,
Anderson Recreation Center
and at the Boys and Girls Club.
