

LOMPOC UNIFIED SCHOOL DISTRICT

Kindergarten Registration Information

2008-09 School Year

Children entering kindergarten must be five years of age on or before December 2, 2008.

Parents/guardians should register their kindergarten students at the school in their attendance area. If parents/guardians have questions regarding their particular attendance area, they should call Central Attendance at 742-3244, or the nearest elementary school.

Parents/guardians registering students **must** bring their child's official birth certificate for age verification, official immunization records, and verification of address (such as a rent receipt or utility bill with the parents' name).

The child should accompany the parent/guardian the day of registration. School nurses and other school staff will confer with each child's parent/guardian, check immunization records and will discuss any concerns for the child's well being while in school.

California law requires that all school children must be up-to-date on the following immunizations: **Polio**, **MMR** (measles, mumps, rubella), **DTP** (diphtheria, tetanus, pertussis) and the **Hepatitis B** Series (3 doses) and **Varicella**. An official immunization record is **REQUIRED** prior to registration and enrollment of the kindergarten child.

NEW legislation for a **Kindergarten Oral Health Check** began January 1, 2007. This requires that children have a dental check-up by May 31 of their first year in public school, at kindergarten or first grade. Dental evaluations that have happened within the 12 months prior to school entry also meet this requirement.

Lompoc Unified School District

2008-09
