

Commit to Student Success Week

Join Us!

AVID's Commit to Student Success Week is September 22–26.
Take this opportunity to engage students in a campus-wide college-going culture.

Have fun with these daily themes to guide your campus activities throughout the week.

My Success Monday · **Their Success Tuesday** · **What Is Success? Wednesday**
Thank You Thursday · **Future Friday**

Share with us on social media!

Their Success Tuesday

Brainstorm ideas for a class/schoolwide community service day that would help others achieve their success. Write your ideas in the lightbulbs.

Show us your school in action! Use Twitter, Instagram, Facebook, or Pinterest to share your ideas: #AVID4StudentSuccess!

explore www.avid.org to learn more

Thank You Thursday

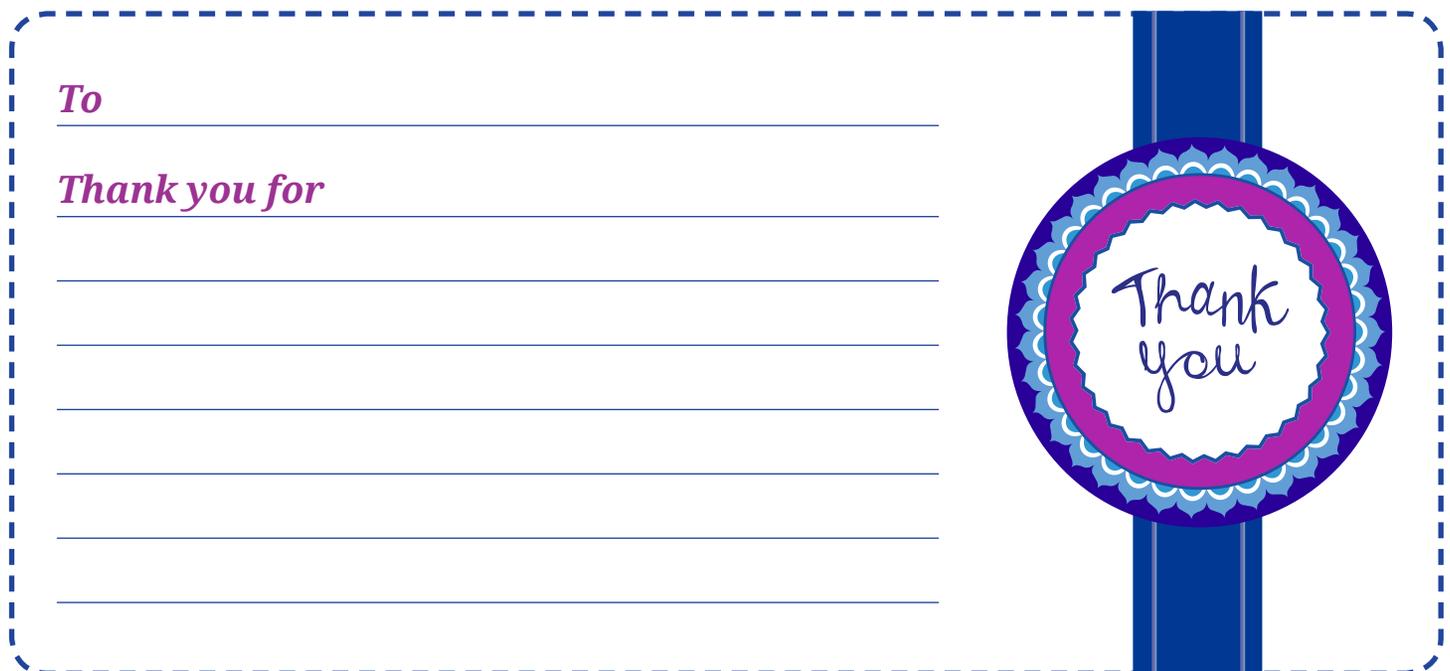

Think of people who have helped you achieve success in your life. Do they know how much you appreciate them? Here's an opportunity to let them know!

Post a photo of your thank you on Instagram or Twitter and let everyone know how this person is #AVID4StudentSuccess!

To _____

Thank you for _____

To _____

Thank you for _____

Future Friday

Picture yourself in a year, five years, and 10 years. What does it look like? What college will you attend? What career have you chosen? What does your family look like? What kind of activities do you enjoy? What did it take for you to achieve these goals?

Show us the activities on your campus for Future Friday! Remember to use #AVID4StudentSuccess!

In one year, I will be:

In five years, I will be:

In 10 years, I will be:

How I will achieve my goals:

Extra Credit!

Don't feel limited during Commit to Student Success Week! Here are some ideas to help you and your campus take a deeper dive during this week. Do you have more ideas? Share them with us on social media! Join the conversation: #AVID4StudentSuccess!

My Success Monday

- Encourage teachers at your school to take some time to share their college success story with students. They can share photos and discuss what helped them succeed in achieving their goals.
- Let students try the Roadmap feature from Roadtrip Nation! The Roadmap is a free, online career exploration tool that connects youth to the stories of like-minded professionals and highlights compatible pathways for students' futures: <http://roadtripnation.com/roadmap>.

Their Success Tuesday

- Participate as individuals/class/club/campus in a Random Act of Kindness Day.
- Support a community service activity to help others towards success.
- Take this opportunity to discuss community service logs with students.

What Is Success? Wednesday

- Create a class/hallway/schoolwide mural of "What Is Success?" cards.
- Hold a door decorating contest that challenges students and staff to envision what success looks like!

Thank You Thursday

- Have AVID students collect and deliver any thank you notes that were written for school staff.
- Sponsor an appreciation event for a group that has supported your school. This could be a teacher appreciation luncheon or a fun family night—anything that says thank you!

Future Friday

- Ask students to dress for their future success! This could also be a great day for students and staff to wear college gear.
- Schedule a virtual college meeting on CollegeWeekLive! Book your computer lab now and invite any of the hundreds of colleges and universities to chat with your class! Join CollegeWeekLive on Tuesday, September 16, for a webinar for more information: <http://www.collegeweeklive.com/>.
- Show your classes a different kind of guest speaker! Have students watch some of the first-generation college students featured by I'm First share their stories: <http://www.imfirst.org/>.
