To determine the school of your attendance area please contact Central Attendance at 805-742-3244.

Caregiver Status

A caregiver is a “qualified relative” such as a grandparent, stepparent, brother, sister, step-sibling, aunt, uncle, etc., who cares for the child either during the extended geographical absence of a parent or during a time when the parent is otherwise unqualified, unable or unfit to care for the child.

To establish caregiver status for school attendance in Lompoc Unified School District, a caregiver’s affidavit must be completed with the office of your student’s school. The following documentation would be required:

- California Driver’s License or Identification Card
- Proof of residency
- If you do not have a CA driver’s license, another form of identification will be required such as a social security card or Medi-Cal ID.

A Caregiver’s Affidavit should not be confused with court recognized legal guardianship of a minor. This affidavit does not affect the right of the minor’s parents or legal guardian regarding the care, custody and control of the minor, and does not indicate that the caregiver has legal custody of the minor.

Child Custody

Schools in the Lompoc Unified School District follow child custody decisions made by the courts. If a child custody arrangement has changed, a parent or guardian must provide legal documents to the school stating this. It is important for parents/guardians to provide a copy of the child custody orders in effect to their school of enrollment.
