

Are you ready for some college spirit?

During the month of October, we are raising awareness about colleges and financial aid. We will be celebrating by designating October as "College Kickoff and Race to Submit month!" There will be a lunchtime rally, to start the month off on **October 2nd**. Also, we will be holding a Homeroom college door decorating contest. During the week of **September 23rd**, you may begin decorating your door with items representing your alma mater or favorite college!

To take part in the contest you should include five criteria on your door:

1. Location of school
2. Year college was established
3. Mascot
4. Entrance qualifications (SAT/ACT scores)
5. Tuition costs

(Encourage students to get involved! Any extra information is fantastic! Decorate the side that everyone will see!)

SAN DIEGO STATE

Be sure to have your door ready by **October 1st**! Special judges will be on campus to pick winners throughout the week! Doors will be judged on creativity and resourcefulness of information. Winners will be announced on **October 2nd**. Your **2nd period** class will receive donuts!

Besides these fun activities, incorporate exciting and resourceful activities for your students relating to college and careers!
