

Opening Day for the 2016-17 School Year

Tuesday, August 16, 2016 for all schools in

Lompoc Unified School District

GENERAL REGISTRATION INFORMATION

ALL STUDENTS - GRADES K-12

PARENTS OR GUARDIANS MUST ACCOMPANY STUDENTS WHEN REGISTERING

IMMUNIZATION INFORMATION

California law requires that all school children be immunized against Polio, Diphtheria, Pertussis and Tetanus (DPT), Measles, Mumps and Rubella (MMR), and Varicella (Varicella is required if enrolled for the first time after July 1, 2001). Additionally, Kindergarten students are required to have Hepatitis B immunizations. Varicella is also required for all out of state entrants in grades 1-12 or to show physician documentation of having the disease.

All 7th - 12th grade students receive a whooping cough booster shot, called Tdap, before entering school. Parents should call their doctor's office to schedule the student's appointment if we have not yet received required documentation for the student.

New Law (SB 277) effective in 2016: Parents or guardians of students in any California school, private or public, will no longer be able to submit a personal belief exemption to currently required vaccines. Only a medical exemption from or by a Doctor will be allowed. Please go to www.shotsforschool.org for more information.

First grade students must have had health screening within the prior 18 months or less as specified by the State of California, Department of Health Services, on their form entitled Report of Health Examination for School Entry which is available at school sites and in your doctor's office. Students must submit an up-to-date immunization record.

New legislation for a **Kindergarten Oral Health Check** began January 1, 2007. This requires that children have a dental check-up by May 31 of their first year in public school, at Transitional Kindergarten or first grade. Dental evaluations that have happened within the 12 months prior to school entry also meet this requirement.

Students whose immunization records have not been verified by the school nurse WILL NOT BE ENROLLED OR READMITTED. They will not be allowed to attend school for the 2016-17 school year until their immunization records are in compliance with the law.

Children entering Kindergarten must be five years of age on or before September 1, 2016. Students turning five years old between September 2 and December 2, 2016 may be placed in Transitional Kindergarten (TK). The District will offer TK at all school sites depending on enrollment.

NEW STUDENTS

If enrolling as a new student in the Lompoc Unified School District, the following information must be provided:

1. Immunization records
2. Last report card (if available)
3. Verification of address (utility bill or rent receipt which includes parent name)
4. Birth Certificate or other acceptable proof of birth for kindergarten and first grade

KINDERGARTEN STUDENTS

Students must be five years of age on or before September 1, 2016. Kindergarten students who registered in March, April, May or June of 2016 do not need to re-register.

Parents registering students for Kindergarten should bring verification of the child's age and immunization records. CHILDREN NEED NOT BE PRESENT DURING KINDERGARTEN REGISTRATION. Vision and hearing screening of all Kindergarten children will be completed during the school year. ***Please refer to the IMMUNIZATION INFORMATION at the beginning.***

The first **three** weeks of school at all elementary schools will have a Kindergarten and Transitional Kindergarten Jump Start. All Kindergarten and Transitional Kindergarten students will be on a minimum day schedule during the three weeks of Jump Start. Beginning September 6, 2016 Kindergarteners and Transitional Kindergarteners will be on a full day schedule.
